CONCERT BAND

Goes to Music Alive

BEHOLD, the Bradford District High School Concert Band. Skillfully lead by our leadership of Mrs. C. Paton and Ms. H. Reynolds, we achieved High Silver at Music Alive 2018. It was discovered that Ms. Reynolds' professor from Western University was our adjudicator, remembering her upon first sight.

The band played two pieces, Wings, and Crossings in Time. Both written by Canadian composers, one who once resided in the North York region.

The rest of this page is dedicated to the many famous "Paton Selfies" that have been featured in previous years, and it just so happens that this year we have dedicated almost a full page to them.

1. 1st Selfie of the Day: Mrs. Paton, Nicole Campbell & Mrs. Reynolds **2. Medley of Instruments** Mariana Campos, Maddy Hanlan, Sophia Michchenko, Elisha Patzer, Melissa Lewis, Maya Coswell, Nicola Gigilio & James Phan **3. The Administrators

Principal's Message to the BDHS Class of 2018

BDHS is a special place, and the people here make it that way. Be it academics, athletics, arts or technology, our school shines. This is not luck. It is due to sustained effort put forth by you, the students, supported by the commitment of teachers, educational assistants and support staff.

Success means different things to different people, and we encourage you to create a clear vision of what your own success will look like. This will help you to choose the right course, move forward and confidently meet life's challenges. We congratulate you on what you accomplished this year, and we wish you great achievement as you move forward.

What's it like to be awake when the rest of your world is asleep? Meet an early-morning jogger, a radio DJ whose show may have an audience of none, a modern Romeo and Juliet, the author of a most unusual letter, and many other teen characters as they search for connection in the magic hour. Through a series of connected scenes and monologues, they discover whether the monster under the bed is real and collectively wonder...is there anybody out there?

Model United Nations Day

Semester 2 2018

Model United Nations day (Model UN) is a day for students across the county to express their opinion as an active globalized citizen. Being globally aware is becoming increasingly more important in today's society. The Bradford team faced other teams from around Simcoe County while building confidence, leadership and diplomatic skills.

Bear Creek Secondary School Presents:

SCDSB SKILLS

2018

The SCDSB Skills Competition is where students from secondary schools in the Simcoe region compete for a chance to participate at the provincial and national competition levels. Bradford District High School sent four competitors to show off their skills.

A two-man team led and trained by Mr. Lee consisted of Cameron and Jaymin for construction technology, which made a beautiful bench with a table in the middle of it. We also had a solo competitor for carpentry, who made a three legged table that had an apron on it.

BDHS also had a baking competitor, she was tasked with completing four deserts, as well as decorating a cake. Our competitor has asked not to be named, or shown in a photograph.

Other competitors were from Nantyr, Barrie North, Bear Creek, and many other schools. Other skills outside the focused scope were Cosmetology, Photography, Transportation Technologies and many more.
